Case No. 20-13293

Honorable David M. Lawson

MONITOR'S FOURTH STATUS REPORT

Pursuant to Paragraph 58 of the Consent Decree (Dkt. No. 10), the Court-appointed Monitor, Neil M. Barofsky, respectfully submits to the Court this fourth status report (“Fourth Report”) concerning the monitorship of the International Union, United Automobile, Aerospace, and Agricultural Implement Workers of America (the “Union” or the “UAW”).

* * *

The Monitor is filing this status report with the Court to provide an update on the results of the UAW’s first direct election of its International Officers (the “2022 UAW International Officer Election” or the “Election”). The Official Rules for the 2022 UAW International Officer Election (the “Election Rules”) require that the Monitor announce the “unofficial” results of the Election upon completion of the vote count. That count was completed on Friday, December 2, 2022, and the unofficial results are summarized below and attached hereto as Exhibit A.

At a later date, and following the process set forth in the Election Rules, the Monitor will certify and report the official results of the Election, after any Election-related protests or appeals have been resolved. In addition, the Monitor will subsequently provide a report to the Court with additional detail on the Election, including the Monitor’s oversight of the nomination process, remediation of Election Rules violations, and the mailing, collection, and tabulation of ballots, among other topics.

Background Concerning the Reported Results

Pursuant to the Consent Decree in this case, the Monitor oversaw a referendum vote (the “Referendum”) in the fall of 2021 in consultation with the UAW and in cooperation with the Office of Labor-Management Standards (“OLMS”), in which the Union’s membership chose a direct election system.¹ For the Referendum, the Consent Decree required that the Monitor provide

¹ See Monitor’s Referendum Report, *United States v. Int’l Union, United Auto., Aerospace & Agric. Implement Workers of Am.* (Jan. 24, 2022), Civil No. 20-cv-13293, ECF No. 52-2.

OLMS with a report summarizing the results, and, if OLMS was satisfied that the Referendum was properly conducted and that no violation of the rules affected the outcome, provide the report to the Court for final approval.² Consistent with that procedure, this Court approved the results of the Referendum on January 31, 2022.³

After the Referendum, the Monitor designed and implemented a direct election system in consultation with the UAW, including the development of the election rules and methods.⁴ The official Election Rules were issued on May 11, 2022, and have been in place since then.⁵ The Monitor also conferred with the UAW to draft language to implement the direct election system in the UAW's Constitution.⁶ These amendments to the UAW Constitution were adopted at the Constitutional Convention, held in Detroit, Michigan from July 25-28, 2022.

Ballots for the Election began to be mailed on October 17, 2022. To be counted, ballots were required to be received by the designated postal office in Dayton, Ohio, by 4 pm E.T. on November 28, 2022.⁷ In total, over one million ballots were mailed, and 106,790 ballots were received by the deadline. On November 29, 2022, votes began to be counted in a secure facility outside of Dayton, Ohio.⁸ The vote count was completed on December 2, 2022.

The Election Rules provide that, upon completion of the vote count, the Monitor will announce the “unofficial” results of the election for any race in which a Candidate received a majority of the vote.⁹ Announcement of the unofficial election results does not constitute

certification of the outcome.¹⁰ Instead, the Monitor will issue final certification of the results after any Election-related protests and appeals have been resolved.¹¹ In the event that the Monitor later determines that the results of one or more races should not be certified, based on a protest or otherwise, the Monitor may take remedial action, including “ordering the rerun of any nomination or election, or any portion thereof[.]”¹²

Unlike with the Referendum, the Consent Decree does not require OLMS or the Court to approve the results of the Election. Instead, if the Monitor determines that any protested behavior constituted a violation of the Labor Management Reporting and Disclosure Act (“LMRDA”) that impacted the outcome of the Election, the Monitor may decline to certify one or more races and direct a re-run.¹³ If, however, the Monitor determines any post-election protest to be without merit, then the complainant, having exhausted their internal remedies, may file a complaint with the Department of Labor under Title IV of the LMRDA, which can consider whether remedial action is appropriate.¹⁴

Notwithstanding the potential for those post-election remedial procedures, under the UAW Constitution, the Election Rules, and Section 402(a) of the LMRDA, the individuals who were elected pursuant to the unofficial results will be sworn in to office by December 12, 2022.¹⁵ For

¹⁵ UAW Const., art. 10, §16 (“Incoming elective officers of the International Union shall be obligated and installed within seven (7) days of the announcement of the election results by the Court-appointed Monitor.”); Election Rules § 2-16 (“[N]ewly elected UAW International Officers shall be installed on or about a date to be determined in or about December 2022 within 7 days of the unofficial announcement of the results, irrespective of the final certification of the 2022 Election.”); 29 U.S.C. § 482(a) (“[A] challenged election shall be presumed valid pending a final decision thereon (as hereinafter provided) and in the interim the affairs of the organization shall be conducted by the officers elected or in such other manner as its constitution and bylaws may provide.”).

those offices for which there will now be a run-off election, the incumbent will remain in their position pending the results of the run-off election.¹⁶

The Elected Officers

The Monitor oversaw the tabulation of votes received by the prescribed deadline, as well as the preparation of a document listing the vote count tally for each race. That tabulation, attached as Exhibit A to this Report, was generated by the tabulation machines used at the vote count site and reflects the final compilation of the vote count for all Regions. As required by the LMRDA, the tally also breaks down the results by Local Union.¹⁷

As reflected in Exhibit A, six International Officers were elected in contested races:

<u>Office</u>	<u>Winner</u>
International Secretary Treasurer	Margaret Mock
Vice President	Mike Booth
Vice President	Rich Boyer
Region 1 Director	LaShawn English
Region 2B Director	Dave Green
Region 9A Director	Brandon Mancilla

In addition, five International Officers were elected in uncontested races:

<u>Office</u>	<u>Winner</u>
Region 1A Director	Laura Dickerson
Region 1D Director	Steve Dawes
Region 4 Director	Brandon Campbell
Region 6 Director	Mike Miller
Region 8 Director	Tim Smith

¹⁶ See Election Rules § 2-16.

¹⁷ See 29 U.S.C. § 481(e).

Run-Off Election

For certain races, no Candidate secured a majority of the votes, as required under Article 10, Section 5 of the UAW Constitution. Those races will require a run-off and are as follows:¹⁸

<u>Office</u>	<u>Run-Off Election Candidates</u>
International President	Ray Curry Shawn Fain
International Vice President	Tim Bressler Chuck Browning
Region 9 Director	Lauren Farrell Daniel Vicente

The run-off for these races will begin shortly. Ballots will be mailed starting on January 12, 2023 and are required to be returned by February 28, 2023. The Monitor will issue Supplemental Election Rules that will govern the run-off election in the coming days.

¹⁸ As described in the Monitor's Second Status Report, proposed constitutional amendments to implement the direct election system empowered the delegates to the 2022 UAW Constitutional Convention to choose how the UAW would proceed in the event that a candidate for International Office does not receive a majority of votes on the first ballot: either through a run-off election by mail of the top vote-getters in any given race; or by the use of ranked choice voting ballots, in which voters would rank the candidates in order of their preference (also referred to as an "instant run-off"). See Monitor's Second Status Report, *United States v. Int'l Union, United Auto., Aerospace & Agric. Implement Workers of Am.* (May 11, 2022), Civil No. 20-cv-13293, ECF No. 59 at 26-28. The delegates rejected a resolution to adopt rank choice voting and instead passed amendments to Article 10, Section 5 of the UAW Constitution that implement the run-off process.
