The number of members reported is based on the average per capita to the International Union during the reporting period. It is the best estimate of year-end membership available and is consistent with prior reports.

Item No. 21 - Rate of Dues and Fees

The International Union does not receive regular dues/fees or initiation fees from its members. In accordance with the International Constitution, each Local Union shall pay to the IBT General Secretary-Treasurer the sum of \$2.50 for every initiation fee or reinitiation fee collected. In addition, each Local Union shall pay to the IBT General Secretary-Treasurer a per capita tax of \$3.90 per month.

Item No. 23 - Assets Secured or Encumbered

The International Brotherhood of Teamsters (IBT) obtained \$15 million in loans in order to pay strike benefits during the National Master Freight strike in April 1994. As part of the loan agreement, the IBT granted the makers of the loans a security interest in the Accounts Receivable of the IBT. The fair market value of these secured assets is estimated at book value. The loan balances on the secured loans at December 31, 2000 were \$1,500,000.

Item No. 24

Item No. 27 and Schedule 1 - Loans Receivable and Item No. 31 and Schedule 3 - Other Assets

The International Union periodically reviews all loans receivable to ascertain the likelihood of collection of the loan amounts. For those loans where the likelihood of collection is uncertain, the International Union reserves these loans as potentially uncollectible on its books and records. All outstanding loans, whether potentially collectible or not, are included in Item 27 and Schedule 1 - Loans Receivable. Those loans that are reserved as potentially uncollectible are noted with a footnote (A) next to them. The total reserve for potentially uncollectible loans is included in Item 31 and Schedule 3 - Other Assets.

The International Union wrote-off two loans in 2000. The loan to the Hoffa Medical Center in the amount of \$295,691 was reserved as potentially uncollectible in 1974 due to the financial condition of the Hoffa Medical Center. The Hoffa Medical Center subsequently filed for bankruptcy in 1981. As the International Union did not recover any proceeds from the bankruptcy proceedings, the International Union is writing off the loan and corresponding allowance for doubtful loans from its books. The International Union also wrote off the loan for the Viewer Sponsored Television Debentures in the amount of \$50,000 and the corresponding allowance for doubtful loan. These debentures were acquired in 1973 through the disposition of assets of the Alliance for Labor Action. These debentures were due in 1978 and as VSTF was insolvent with no proceeds available for distribution, the International Union established an allowance for uncollectible loan. As there have been no recovery of these funds and no likelihood of any future recovery of funds on these debentures, the International Union wrote off the loan and corresponding allowance in 2000.

The International Union executed a promissory note establishing a loan receivable from Teamsters Local Union No. 103 in the amount of \$85,525 for delinquent per capita tax due to the International Union.

The International Union executed a promissory note establishing a loan receivable from Teamsters Local Union No. 911 in the amount of \$73,523 for delinquent per capita tax due to the International Union.

Item No. 36 - Other Liabilities

The International Union records all assets and liabilities in its accounting records in the currency in which the asset or liability is denominated. The International Union's balance sheet is adjusted to reflect any changes in the foreign currency value in order to properly reflect the realizable value of these assets in the International Union's base currency. As the International Union maintains cash and investments in Canadian Dollars, the International Union has included a Reserve for Foreign Exchange - Canadian in Item 36 - Other Liabilities in the amount of \$1,679,921.

The International Union has included certain expenses in Column G – Other Disbursements in Schedules 9 and 10 of the LM-2. These items include the Employee-Paid FICA and Employee-Paid State Unemployment/State Disability Premiums for those employees receiving this benefit.

In addition, the International Union has included housing expenses provided by the International Union for the General President, General Secretary-Treasurer and their Executive Assistants in Washington, DC. The International Union has also included in Column G certain air travel expenses incurred by these individuals to and from their home city and Washington, DC. Item No. 73 - Other Disbursements and Schedule 15**Deposits**

The International Union in its ordinary course of business makes disbursements for deposits to vendors. Throughout the year these deposits are applied to actual goods or services provided by the vendor and subsequently reclassified to the proper expense account with no disbursement of cash. These amounts are included in Item 73 - Other Disbursements and detailed on Schedule 15. The International Union includes the original amount expensed to Deposits, the subsequent reclassses to the expense account once the goods are provided by the vendor, and the amount disbursed during the year and remaining in Deposits on Schedule 15.

Consent Decree Related Expenses

The International Union reports expenses associated with the consent decree in 88 Civ 4486 *United States of America v. International Brotherhood of Teamsters, et.al.* in Item No. 73 - Other Disbursements as these expenses are extraordinary expenses not normally incurred in the day to day operations of a labor union and to provide the reader of the LM-2 with a detailed disclosure of these expenses.

Item No. 75**Grants**

The International Union received grant funding during the year through the National Institute of Environmental Health Sciences for worker health and safety training and the Department of Labor. Expenses disbursed in accordance with the grants during calendar year 2000 are reported in the appropriate cash disbursement line items of Statement B. Cash reimbursements for the grants for calendar year 2000 are reported in Item 54 and Schedule 14 - Other Receipts.

Tom Shay Scholarship Fund

The International Union established the Tom Shay Scholarship Fund in 1995 for the benefit of the children of Tom Shay, an International Vice President who was killed in an automobile accident in 1994. This Fund is maintained by the International Union. In 2000, the Fund received interest of \$734.69 and did not make any disbursements during the year.
